Document ID D01 | Effective date 1 January 2026

Party	Role
DataForge Ltd	Licensor
Asteria AI SAS	Licensee

1. Definitions

1.1 'Licensed Data' means the Atlas Business Corpus and accompanying metadata supplied by Licensor. 1.2 'Production Use' means use in a system made available to external users or used to deliver a paid service.

2. Licence Grant

2.1 Licensor grants Licensee a limited, non-exclusive, non-transferable right to use the Licensed Data solely for internal, non-production research and evaluation purposes. 2.2 No implied rights are granted.

3. Restrictions

3.1 Licensee shall not: (a) use the Licensed Data in any commercial product or service; (b) use the Licensed Data to train, fine-tune or retrieve content for a production model; (c) distribute the Licensed Data; or (d) permit access by any affiliate or customer without Licensor's prior written consent.

4. Security and Incidents

4.1 Licensee shall apply reasonable technical and organisational measures. 4.2 Licensee shall notify Licensor within forty-eight (48) hours after discovering unauthorised access to the Licensed Data.

5. Term and Deletion

5.1 This Agreement continues for twelve (12) months. 5.2 On expiry or termination, Licensee shall stop using and delete the Licensed Data, except for one encrypted legal archive copy.

6. Termination

6.1 Licensor may terminate immediately for a material breach of Sections 2 or 3. 6.2 Termination does not create an automatic damages amount; available remedies depend on applicable law and proven loss.

7. General

7.1 Amendments must be in writing and signed by both parties. 7.2 This Agreement is governed by the laws of France, without prejudice to mandatory rules.
