HelixLM Commercial Model Licence Agreement

Document ID D02 | Effective date 1 February 2026

Party	Role
Helix Labs GmbH	Licensor
Asteria AI SAS	Licensee

1. Definitions

1.1 'Model' means HelixLM 7B, including the model weights and tokenizer. 1.2 'Hosted Service' means a service operated by Licensee where end users access functionality without receiving the Model weights.

2. Commercial Licence

2.1 Licensor grants Licensee a non-exclusive right to deploy the Model as part of Licensee's hosted commercial services and to charge customers for those services. 2.2 Licensee may create internal fine-tuned versions for the same permitted use.

3. Distribution Restrictions

3.1 Licensee shall not distribute or provide the Model weights to any third party. 3.2 Customer access must remain through Licensee's Hosted Service. 3.3 Outputs may be delivered to customers, subject to applicable law and the customer agreement.

4. Usage Records

4.1 Licensee shall maintain records sufficient to identify the commercial services using the Model. 4.2 A summary report for the prior calendar year is due by 15 January each year.

5. Fees

5.1 The annual licence fee is EUR 48,000, payable in quarterly instalments. 5.2 Usage above the separately agreed compute allowance may incur additional fees.

6. Term

6.1 The initial term is twelve (12) months. 6.2 The Agreement renews for successive twelve-month periods unless either party gives sixty (60) days' written notice.

7. General

7.1 Amendments require a written instrument signed by both parties. 7.2 This Agreement is governed by German law.
