VectorGrid Enterprise Software and API Agreement

Document ID D03 | Effective date 15 February 2026

Party	Role
VectorGrid Inc	Provider
Asteria AI SAS	Customer

1. Service

1.1 Provider shall make the VectorGrid embedding and vector search service available to Customer. 1.2 Customer may use the service to provide commercial software-as-a-service products to its own customers.

2. Usage Limit

2.1 The subscription includes up to one million (1,000,000) documents processed per calendar month. 2.2 Excess usage requires Provider's written approval and may be charged at the rates in the applicable order form.

3. Customer Data

3.1 Customer retains its rights in Customer Data. 3.2 Provider may process Customer Data only to provide, secure and support the service, unless the parties agree otherwise in writing.

4. Reporting

4.1 Within fifteen (15) calendar days after each calendar quarter, Customer shall provide a usage report showing documents processed and active production workspaces. 4.2 Provider may request reasonable supporting records once per year.

5. Fees and Payment

5.1 The annual subscription fee is EUR 36,000. 5.2 Invoices are payable within thirty (30) days.

6. Term and Suspension

6.1 The initial term is twelve (12) months. 6.2 Provider may suspend access after written notice if Customer materially exceeds the Usage Limit and does not agree a remediation plan within ten (10) business days.

7. General

7.1 This Agreement is governed by the laws of England and Wales. 7.2 Amendments must be signed by both parties.
