Amendment No 1 to Atlas Business Corpus Data Licence

Document ID D05 | Effective date 1 July 2026 | Status EXECUTED FOR DEMONSTRATION

Party	Role
DataForge Ltd	Licensor
Asteria AI SAS	Licensee

1. Background and Effective Date

1.1 This Amendment modifies the Atlas Business Corpus Data Licence Agreement identified as D01. 1.2 This Amendment takes effect on 1 July 2026. Capitalised terms retain the meanings given in D01.

2. Limited Commercial Permission

2.1 Despite Section 3.1(a) of D01, Licensee may use the Licensed Data in ClauseLens Enterprise for production retrieval, evaluation and quality monitoring. 2.2 This permission applies only to ClauseLens Enterprise and does not authorise use in DealRoom Search, BoardPack Studio or any other product. 2.3 Licensee shall not expose, reproduce or distribute the underlying Licensed Data to any customer.

3. Conditions

3.1 Licensee shall retain product-level logs showing when the Licensed Data is accessed. 3.2 Licensee shall provide Licensor with a quarterly summary within twenty (20) calendar days after each quarter.

4. Continuing Effect

4.1 Except as expressly modified by this Amendment, D01 remains unchanged and in full force. 4.2 If this Amendment conflicts with D01, this Amendment controls only for the subject matter and product scope stated here.

5. No Affiliate Expansion

5.1 The permission granted by this Amendment applies only to Asteria AI SAS and does not extend to an affiliate without Licensor's written consent.

6. General

6.1 This Amendment may be executed in counterparts. 6.2 French law continues to govern D01 and this Amendment.
