# OCRVision API Enterprise Agreement

Document ID D07 | Effective date 1 April 2026 | Status EXECUTED FOR DEMONSTRATION

| Party | Role |
|---|---|
| VisionCore Inc | Provider |
| Asteria AI UK Ltd | Customer |

## 1. Customer and Scope

1.1 Provider shall supply the OCRVision API to Customer. 1.2 'Customer' means Asteria AI UK Ltd only and excludes its parent, subsidiaries and other affiliates unless Provider gives prior written consent.

## 2. Commercial Use

2.1 Customer may integrate OCRVision API into Customer's commercial hosted services. No right is granted to Asteria AI SAS or any other affiliate by this Agreement. 2.2 Customer shall not resell API credentials.

## 3. Data Processing

3.1 Provider may process submitted files only to provide and secure OCRVision API. 3.2 Customer shall not submit files it lacks authority to process.

## 4. Fees

4.1 Customer shall pay GBP 18,000 per year for up to 500,000 pages. 4.2 Excess usage is charged according to the order form.

## 5. Term

5.1 The initial term is twelve (12) months. 5.2 Renewal requires a new order form unless the parties agree an automatic renewal in writing.

## 6. Assignment and Affiliates

6.1 Customer may not assign or sublicense this Agreement to an affiliate without Provider's written consent.
